

# WEDDINGS AT THE HIGHLANDS

Nestled among acres of Hudson Highlands gardens, The Highlands offers a unique blend of romance and elegance in a country setting, just one hour north of New York City. The Highlands radiates old world elegance, enhanced by the surrounding landscape. Weddings at The Highlands begin and end with personalized attention and service.

## OUR SPECIAL SPACES

With the flexibility to combine up to four distinct spaces—the Verandah, Solarium, Tavern and Ballroom—The Highlands can welcome parties of up to 150 and dedicates its space to only one wedding at a time.

At the center of the stately manor house, the ballroom boasts 20-foot ceilings, two oversized wood-burning stoves, and a breathtaking crystal chandelier. Arched French doors spill out to a covered verandah and private garden space on one side, and an enclosed glass solarium on the other.

Outdoor ceremonies and photography sessions can take place in our expertly-landscaped gardens or on our golf course. The expansive lawn, accessed from the Verandah, is set with stylish outdoor furniture and a welcoming fire pit.

## OUR PACKAGES AND MENUS

The wedding package at The Highlands includes five hours of open bar, one hour of cocktails with passed hors d'oeuvres, a champagne toast, a three or four-course meal accompanied by select wines, and a magnificent wedding cake. Also included are valet parking, a two-room bridal suite for the day of preparation, and day of coordination.
